

JUNE 27TH, 28TH, 29TH 6:00 PM – 8:30 PM

At ST JOHN'S LUTHERAN CHURCH

This is our theme for VBS (Vacation Bible School) this year. We will be learning about Jesus, exploring God's world, singing and celebrating but doing all this through a GREEN program. ReNew is an environmentally-focused program that inspires us to grow in faith, have fun and change the world as we practice stewardship of creation. The program is action oriented for making an impact on SELF, COMMUNITY and WORLD. One of the best ways to grow in faith is to put faith into action and see the results. With ReNew, many of the activities and an outward focus toward service with the community and the world.

God's creation is a gift we all share; we all live in it together and depend on it together. Caring for it is a good work and a collective act of faith. The focus is on the Parable of the Sower. Kids will dig into the story from the perspectives of SELF, COMMUNITY and WORLD. Each day kids rehear the Bible story and the focus on a section to discover how it relates to caring for God's creation. The activities are centered in stewardship.....learning, creating and doing things to change the world.

So..... Please prayer for this year's VBS. Please support us as we reach out to the children in our community. Please prayerfully consider volunteering your time to share God's love with the children. There are several areas to volunteer your time/talents.....being a shepherd to walk with a group of children to each of their learning centers.....helping on Monday night with our snack night.....being a helper in a learning center.

Sign up sheets are located in the overflow area next to the sanctuary. Questions or concerns? Please contact Elaine Baxter 717-348-9999 or email at rebaxter54@gmail.com.

Again ... thanks for all you support!!!!!!!!!!!!!!

RENEW!!!! GROW IN FAITH HAVE FUN CHANGE THE WORLD
